UKRAINE	819,1	1013,4

Implementation of Decree 296 by industry, state institutions and DHCs

Categories	Plan ³	Actual	+/-%
Industry	356.1	453.6	+34
State institutions	45.2	34.8	-25
DHC (~80% to households)	417.8	525.0	+40
Households	806.7	914.5	-4
UKRAINE		1927.9	

Consumption by households:
914.5 mcm

¹ On the basis of operational data of regional gas companies according to Ukrtransgaz. Total consumption by industry, state institutions, DHCs and the public. All data excluding Crimea.

² Data from anti-terrorist operation (ATO) zone is delayed.

³ Decree 296 sets targets for consumption by industry, government financed institutions and district heating companies (DHCs) at 70-90% of last year's levels. Decree 296 does not set limits for private consumption by households; "plan" data for households equals real data from 2014
