UKRAINE	1128.2	1349.5

Implementation of Decree 296 by industry, state institutions and DHCs

Categories	Plan ³	Actual	+/-%
Industry	551,0	678,5	+23
State institutions	56,8	46,8	-17
DHC	520,4	624,2	+20
Households	1287,5	1026,6	-20
UKRAINE		2376,1	

Consumption by households:
1026,6 mcm

¹ On the basis of operational data of regional gas companies according to Ukrtransgaz. Total consumption by industry, state institutions, DHCs and the public. All data excluding Crimea.

² without information on natural gas usage in areas where government authorities temporarily exercise incomplete powers.

³ Decree 296 sets targets for consumption by industry, government financed institutions and district heating companies (DHCs) at 70-90% of last year's levels. Decree 296 does not set limits for private consumption by households; "plan" data for households equals real data from 2014
